

Neighborhood Prayer Walk HANDOUT

Start with a prayer that God would open your eyes
to what God would have you notice today.

Reflection Questions

What do you notice?

What are you
curious about?

Draw an arrow for any connections you see here

Only if you are feeling stuck with noticing, consider:

- Who is here?
- Who is *not* here?
- What sorts of gatherings/groups look like they are here together?
- What's the "vibe" or "mood" - Why do you think that is?
- What do you notice in the faces around you?
- Where are there signs of health? Of hurt?
