

Reflection Questions

What do you notice?

What are you curious about?

Draw an arrow for any connections you see here

Only if you are feeling stuck with noticing, consider:

- Who is here?
- Who is *not* here?
- What sorts of gatherings/groups look like they are here together?
- What's the "vibe" or "mood" - Why do you think that is?
- What do you notice in the faces around you?
