Key Questions:
What might God be up to?
How can we join in?

Reviewing Learnings & Moving Toward Action-Learning Experiments (Do before watching Video 7)

Reviewing Our Learnings to this Point:

1. Listening to Others

- a. What are some things the team learned from doing the "Listening To One Another's Stories" exercise with people in your congregation?
- b. What are some things your team learned from the "Naming God's Activity" exercise with people in your congregation?

2. Dwelling in the Word (Acts 16)

- a. What are some things your team learned from listening to this text?
- b. How did you use the dwelling exercise in your congregation?
- c. What did your team learn from doing this practice of listening to Acts 16 together and encouraging other people to do it?

3. Prayer Walks & Mapping the Neighborhood

If you did both of these exercises, share what you remember from the experience. If you did not, do not despair! There will always be more chances to use these simple practices! Find ways to integrate them in the future!

- a. What are some things your team learned from doing prayer walks with others from the congregation?
- b. What are some things your team learned from mapping the neighborhood and inviting others from the congregation to add to the map?
