

Adventures in Renewal

Listen. Learn. Be Transformed.

Greater Milwaukee Synod

Listening to the Neighborhood
Part 1: Awareness

Field Work

1. Invite others in the congregation to add to this map, and hold space for the discussion questions with them.
2. Take notes on the learnings from both your team and anyone else who adds to the map, so you can have an ongoing “learnings log.” Continue to use this log as a team throughout your work.
