MISSION AND VISION

Purpose Statement

God’s purpose for the Greater Milwaukee Synod Anti-Racism Team is to dismantle racism by creating and deepening a culture of resistance to racism through organizing and training among the ministries of this synod.

Vision Statement

Recognizing the historic and structural realities of racism, the Greater Milwaukee Synod Anti-Racism Team envisions everyone affiliated with the Evangelical Lutheran Church in America as Siblings in Christ who:

- Welcome, value, and honor all people
- Create a climate in which all people feel welcomed to fully participate in the life of this Church
- Celebrate and live into an anti-racism identity
- Lead the effort to free all people and their communities from the burden of the sin of racism

This team is committed to provide the training, organizing, support and leadership to make this vision a reality.

AN INVITATION

As called, your Anti-Racism Team welcomes the opportunity to join with you in education and work around issues of race and diversity. Following are ways your congregation can participate in the anti-racism journey in 2020:

- THREE DECONSTRUCTING RACISM WORKSHOPS – designed for congregations (teams and/or individuals) who want to deepen their understanding of racism and the part we all play to uphold and maintain the system of racism.
- TWO MEDIA EVENTS – designed for anyone interested in entering the anti-racism journey. These would be either a movie viewing followed by a discussion opportunity or a group gathering to discuss a book that all have agreed to read.
- QUARTERLY GATHERINGS FOR OPEN CONVERSATION – designed for those who have some anti-racism training to provide support, address challenges, offer tools and resources for their anti-racism journey.
- TWO GATHERINGS FOR ROSTERED LEADERS – designed to provide resources to assist these leaders grow in their own understanding of racism.

“Do not lie to one another, seeing that you have stripped off the old self with its practices and have clothed yourselves with the new self, which is being renewed in knowledge according to the image of its creator. In that renewal there is no longer Greek and Jew, circumcised and uncircumcised, barbarian, Scythian, slave and free, but Christ is all in all!”

- Colossians 3:9-11
THE CALL
God has commanded us to love one another as God has loved us and to love our neighbors as we love ourselves.
- John 13:34

Why does the GMS Anti-Racism Team exist?
In 1998, the Greater Milwaukee Synod Assembly passed Resolution #3 which brought into being the existence of the Anti-Racism Team.

Supported by Bishop Peter Rogness, the GMS decided that it was time to work on racial and diversity training. The timeliness of this decision is evidenced by the continuing growth in polarization between white persons and persons of color, the rise in hate-based crimes and increased hate-based speech.

God has commissioned us to share God’s word with all people.
- Matthew 28:19

The geography of our synod contains diverse populations that are not represented in our congregations.

In 2003, the Greater Milwaukee Synod Assembly passed Resolution #2 which called the GMS Anti-Racism Team to serve as a resource to help congregations begin, and continue, to lift up cross-cultural and diversity concerns.

The Rev. Dr. Martin Luther King Jr. wrote in Why We Can’t Wait (Signet Classics, 1964), 120:
“Our nation was born in genocide when it embraced the doctrine that the original American, the Indian, was an inferior race. Even before there were large numbers of Negroes on our shores, the scar of racial hatred had already disfigured colonial society. From the sixteenth century forward, blood flowed in battles over racial supremacy. We are perhaps the only nation which tried as a matter of national policy to wipe out its indigenous population. Moreover, we elevated that tragic experience into a noble crusade. Indeed, even today we have not permitted ourselves to reject or feel remorse for this shameful episode. Our literature, our films, our drama, our folklore all exalt it. Our children are still taught to respect the violence which reduced a red-skinned people of an earlier culture into a few fragmented groups herded into impoverished reservations.... It was upon this massive base of racism that the prejudice toward the nonwhite was readily built and found rapid growth.”

A MESSAGE FROM BISHOP PAUL ERICKSON
“As a synod, we are continuing to grow into our anti-racist identity, which means so much more than simply attending a training or declaring ourselves on the ‘right side’ of the issues of the day. We need to engage in the slow, deliberate. And sometimes painful work of disentangling ourselves and our congregations and communities from the lies that have perpetuated oppression based on race. I hope that our work in this arena will become woven into the very fabric of life together in this synod, and that our witness will be clear, strong and effective.”

WE ARE THE CHURCH
The Greater Milwaukee Synod Anti-Racism Team is made up of a variety of people. We are People of /color and People of White, Various Genders, Young and Old, Lay and Rostered (Clergy and Deacons), LGBT+ and Straight, Urban and XUrban, and from diverse economic and class backgrounds. Some of us as veterans of the racial justice movement, others are new to it.

Whatever our outward appearance or circumstance, we are all passionate about sharing God’s love for one another and being instruments of change for greater racial equality in our church and society.

There is one body and one Spirit, just as you were called to the one hope of your calling, one Lord, one faith, one baptism, one God and Father of all, who is above all and through all and in all.
