

## Reference Guide for Voting Members of the ELCA Greater Milwaukee Area Synod Assembly

### LOG INTO THE LUMI PLATFORM ON YOUR MOBILE PHONE, TABLET OR LAPTOP TO CAST YOUR VOTE

The Lumi virtual voting platform will be used for all elections and motions. It is recommended to log into Lumi on your mobile phone, laptop, or tablet.

You can either use your phone camera to scan the bar code to the right, or type the following URL into your browser window:

URL: <https://web.lumiagm.com/208940032>

- Username = your unique 6-digit username
- Password = **assembly2022** (all lower-case)

### How to cast your vote

- When a motion or a proposal is put before the meeting
  - the voting will pop up within the Lumi virtual platform
  - or you will see a voting tab appear – click on that
- To cast your vote, simply touch or click your selection and it will be highlighted. You will also see confirmation text of your vote above.
- To change your vote, simply touch or click another selection. You may change your vote at any time while the voting period is open.
- If you are asked to select more than one option or on a write in ballot, a “send” button will appear, which you have to touch or click to submit your vote.
- Once the voting period has closed, your last vote will be submitted.
