Impacting Lives Through Service

Throughout the **Greater Milwaukee Synod**, LSS offers services including adoption, counseling, financial counseling, housing, pre-marriage workshops, refugee resettlement and more. In 2012, LSS offered over 300 programs at more than 200 sites in over 80 communities throughout Wisconsin and Upper Michigan, serving over 120,000 people through a variety of services. LSS offers services across a person's lifespan addressing a variety of conditions. Services are available for children and families, adults, older adults and persons with disabilities. Services are open to all, regardless of religious affiliation or background.

Congregational Investment

Our most important support comes from individuals and congregations throughout Wisconsin and Upper Michigan. The demand for services is ever-increasing. Continued participation and support help to further magnify the ministry of each congregation through Lutheran Social Services. Your benevolence dollars help meet the needs of many throughout Wisconsin and Upper Michigan communities. LSS is grateful to individuals and churches within the Greater Milwaukee Synod for your continued support.

"The grace of Christ abounds and the church continues to proclaim that message boldly to a parched world that needs it so much," says David Larson, LSS President & CEO. "Your ministry of LSS is proud to partner with you in putting that gospel to work every day. Thank you for your service and leadership."
