

Mission Investment Fund
Evangelical Lutheran Church in America
God's work. Our hands.

When you invest with the Mission Investment Fund, your investment dollars are put to work in the form of loans to ELCA congregations and ministry organizations. These organizations, in turn, use the loans to expand their capacity for doing God's work, by building worship spaces, facilities for health clinics, soup kitchens, senior housing and more.

We couldn't do this ministry without your support. So whether you are investing as a congregation, as a family, or as an individual, thank you for being part of this ministry.

Thank You!
