2017 Cluster Assembly

Saturday
February 25, 2017
8:30 a.m. - noon

Mt. Hope Lutheran Church
8633 W. Becher St.
West Allis, WI 53227

Bishop Erickson has been visiting with each of our ten clusters and listening to rostered ministers and lay leaders. We invite you to attend our Cluster Assemblies Event to learn what Bishop Erickson has learned from the joys and concerns you've shared with him. Clusters will also meet separately to consider nominations and resolutions for the June Assembly.

Please consider setting aside time for this important morning in February. We encourage everyone that will be a voting member at Synod Assembly in June to attend, but we also want you to know that everyone is welcome! There is no cost and we expect to be finished by noon.

Please make sure to register for this event as soon as possible. We need to know how many chairs to set up and how much coffee to provide. Thank you!
