

BREAKING THE CHAINS CHURCH

“We need a congregation here because it helps break the strongholds that hold men of God down.” Brother Payne

You have the opportunity to help support a new start in the Greater Milwaukee Synod. It is a congregation inside a prison—at the Felmers O. Chaney Correctional Center, 2825 N. 30th Street, Milwaukee

“True Christian love helps those who can’t return the favor.” Brother Roosevelt

Your congregation can help in a variety of ways. Speakers for temple talks, for adult education times, for pulpit supply are willing to come to your church.

This new start will follow the Prison Congregations of America model, a proven, national organization, supported by the ELCA. www.prisoncongregations.org

“Everyone needs the Savior, Jesus Christ, and they need to understand why. They need to know how salvation works, so they can make a decision for Christ based on truth.” Brother Thomas
