

# Our Covenant Agreement

## All Peoples Gathering Lutheran Church

and

---

In order to give shape and direction to our journey as brothers and sisters in the mission of God revealed in Jesus Christ, we accept these covenant agreements:

1. We agree to pray for each other at every opportunity, especially as a part of our regularly scheduled worship services.
2. We value mutuality in our relationship, acknowledging that each of our congregations will give and will receive, will teach and will learn.
3. We value the mission statements and the core values of each of our congregations, and we agree to learn more about them.
4. We agree to plan projects mutually within the parameters of our core values and to be transparent about financial and other commitments.
5. We agree to learn more about the communities in which each of us live and serve. We will help each other in this endeavor with the exchange of information and suggestions for learning through social media, emails, newsletters, media stories, photos, presentations or discussions together.
6. Personal relationships will be the foundation of our mutual learning. We will work to build relationships through visits in worship and participation in each other's ministry programs, pastor and music exchanges, and inviting each other to special events.
7. We will look for ways for children to connect with children, youth with youth, families with families, adults with adults. We look for connection points at both of our churches, giving each of us the opportunity to visit and to host.
8. We will keep Christ at the center of our relationship.
