offers:

The Self-Differentiated Church:

Identifying Its Personality and Honoring Its Spirituality

***AN INTERACTIVE BOOK***

This book is presented in a 42 page workbook format with 15 web-links, directing the reader to the website of The Institute for Congregational Identity ([www.cong-id.org](http://www.cong-id.org)). At this site you will be able to:

- ▶ Explore material that expands on the concepts introduced in the printed book.
- ▶ Review original research published in the Journal of Psychological Type highlighting the development of the profiler and a study of inactive members.
- ▶ Read case studies of congregational personalities.
- ▶ Enjoy vignettes of congregations where their personality is on full display.
- ▶ Survey the biblical churches of the Apostle Paul, considering how similarities and differences in their personalities contributed to his judgments about them and their ministry.
